Rotational Training - Pre Planned Training

Rotational Training – is designed for maintenance companies with long term contracts, mainly in Oil Fields, to help with pre-planning and timely delivery of the safety training. Oil Sands & Construction Training & Safety Ltd will work with you to plan and schedule your on-going training needs and make proposal for the training delivery for all your shifts (A/D, B/D, A/N, B/N). Our prices are highly competitive and can be found at <http://shutdowns.oscts.ca/>, and more information about rotational training at <http://shutdowns.oscts.ca/rotational-training/> If you'd like more information, please contact Cezary Giluk, 780-983-0155 or email cezary.giluk@oscts.ca

Classroom Training in Nisku, Edmonton and Surrounding areas

Oil Sands & Construction Training & Safety now provides full range of in-class training in Nisku, Edmonton and surrounding areas. It can be delivered in your location or our training facility. You can find most popular courses provided at <http://edmontontraining.oscts.ca/>
